

# Wobedo Designs 5 advantages:

About Woolbubbles och Squarebubbles soundabsorbents

**Design:** Unique shapes with unsurpassed choices in form & colour, so that they can be suited into many different interiors.  
We can visually lift up your customers company profile and tailor a solution for their office.

**Acoustics:** Our products possess a very good soundabsorbing ability.

**Among the best testresults on the market.**

The products contribute to reducing disturbing sound and lessen the echo. This enhances the possibility to hear speech, for ex in meeting rooms. The working places become calmer and that enhances the comfort so that people work more effectively.

**Quality:** Our products are durable. They last a long time, and are manufactured with materials that enables them to always keep the same shape. The finish is excellent.

**Fantasy:** They are also an artistic decoration. Millions of combinations.

Do you love soft shapes or the strictly graphical? We have them.

The products contribute to creating unique and creative spaces so that people can be comfortable.

**Environment:** Woolbubbles & Squarebubbles can be used over and over again.

They can be moved and make new combinations. For generations.

It's just to order new velcro strips. The textile is marked with the EU-flower.

Does your customer have an environmental policy? Choose sustainability.
